Date: - July 2009

Dear Sirs/Madam,

RE: Intellect UK Limited

Intellect UK Ltd. (Intellect) is one of ACWA Services Ltd. (ACWA) preferred electrical installations sub-contractors. ACWA recently awarded Intellect with a contract at Howdon WwTW, for Northumbrian Water. Intellect's approach to this contract was very efficient and professional. Offering completeness with all necessary documentation, controls and measures from site health and safety to working in accordance with ACWA's site environmental management system.

Intellect's workmanship is excellent and has provided the ACWA site installation with a show piece quality. Intellect provide a unique service where time management is paramount, delivering projects on time, and offering assistance when and where required at a very short notice.

Yours faithfully,

Salvatore Cardamone
Electrical Engineering Manager
