To whom it may concern

**Reference: Intelect UK Ltd**

I confirm that I have dealt with Intelect UK Ltd on our "Cogging and Shears Control Immobilisation" project here at Corus Teesside Beam Mill. Their contractual responsibilities were to supply and install various control cubicles on site along with corresponding cabling, which they performed to a high standard and in a safe manner.

I can confidently recommend Intelect UK Ltd as a solid reliable electrical contractor and panel manufacturer.

Yours faithfully
